FOREWORD

In one year the light of many years,
Blue-lit morning snowstorms, red-cast city afternoons,
In one breath the words of the youth time,
True, pi, theme, mercantile, paramecia.
In one touch the feel of a world
Grains of dust, worn wood, eraser shreds,
crumpled paper.
In one sound the music of cycles of moods,
Chinkling glass fragments of laughter splashed
with tears.
In one swell of wild cheering the victory of
belonging,
Chanting, purple and white, rally, thundering feet.
In one penstroke the eloquence of•Shakespeare
An individual's concern, no two sights' shade the same.
In one flash of understanding a wisdom for our world—
We have just this year become aware.

spring rain, floating on the wind,
brushes wet the tired, heavy snow.
old towers, worn pale and rough
by Winter's struggle, rest, bare and peaceful.
streets, weary shoulders slipping loose
under the sunwarmth, crack and crumble.
Time sweeps through, and,
without a sigh,
all is new.

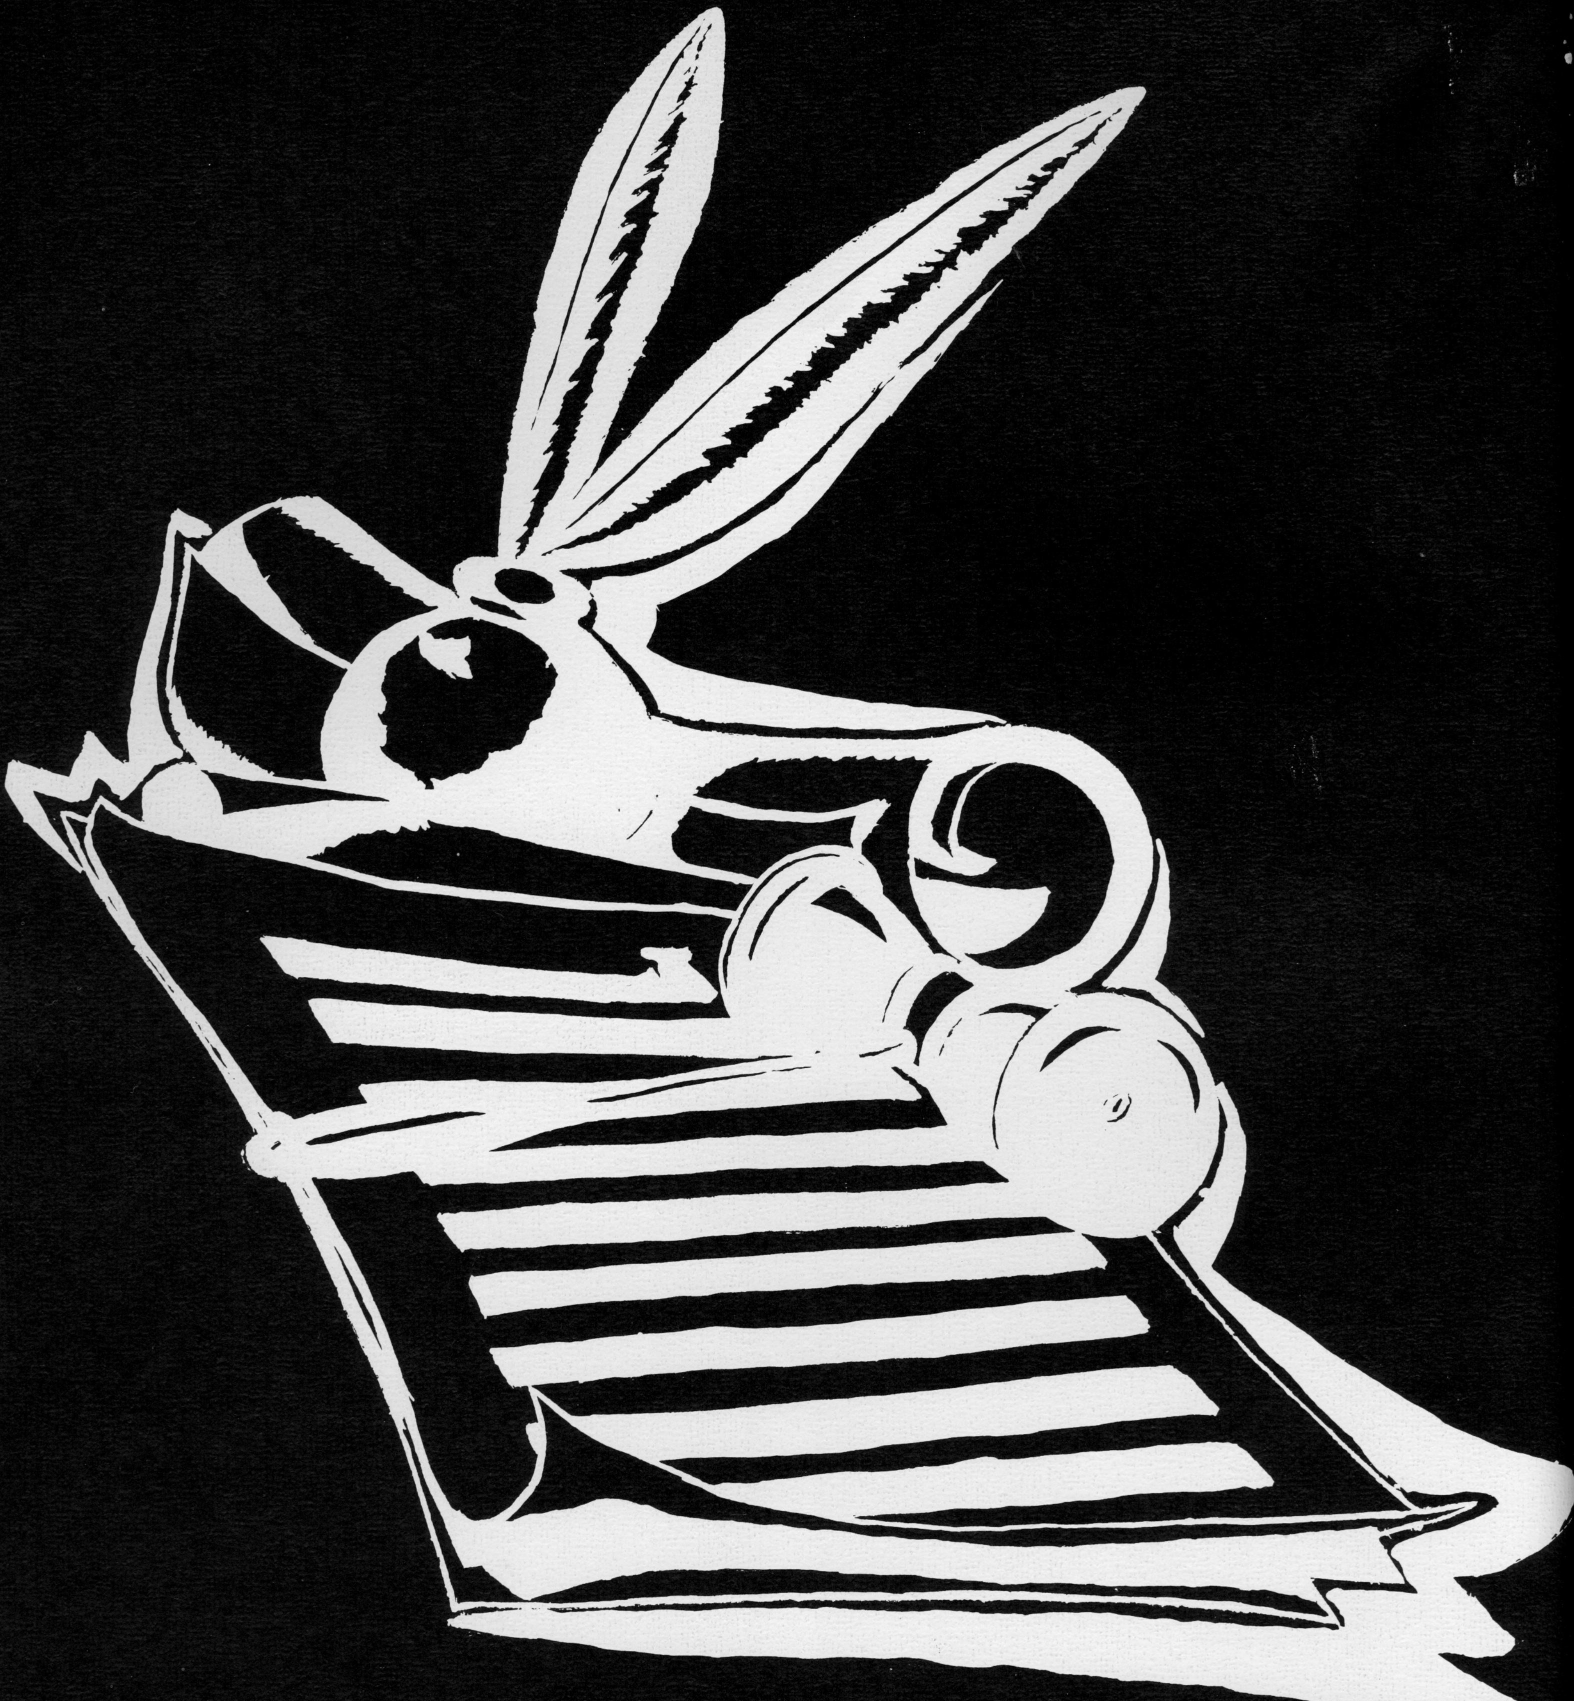

Gently bright
In green and gold,
Child and dawn rise together
to sing of a new
Beginning.

CURRICULUM

New Dimensions Added to English Course

Lauretta Guiltinan, Department Head

Susan Sweatland, Helen McCarthy, Diane Brutnell

Continually seeking new ways to supplement the curriculum, the English Department has implemented two innovations for 1970-71: the Theatre Arts elective, a basic course in dramatics, and the English laboratory, a service giving individual students help with any special problem they might have in English class.

The library staff has added audio-aids to enlarge its supply of research material on various works of literature.

THEY LINK THE PAST TO THE PRESENT TO GIVE

Many students have felt that, although they should study past history, they should also have the opportunity to learn about today's world. In response to this need, the Social Studies Department has offered electives in Psychology, Political Science, World Affairs, and Economics. To further develop interest in current concerns, the Department has sponsored field trips to the United Nations and the New York Stock Exchange.

Five languages — French, German, Latin, Russian, and Spanish — are offered to Pittsfield High students. Modern course materials — textbooks, tapes, records, films, and the language laboratory — used under the direction of the very talented teachers, make language study very effective and popular.

Understanding the Theory

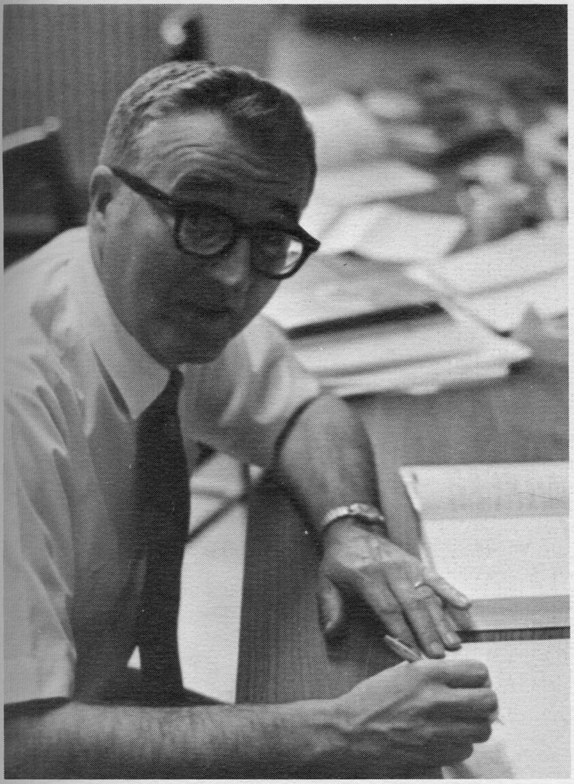

With every aspect of life now seeming to require some technical prowess, the Math Department is filling an essential though often unrecognized need in every student's education. Because each student needs a different level of mathematical knowledge, the Department offers a wide range of courses, from basic Geometry to Advanced Placement Calculus.

Because of larger enrollment and ever-increasing knowledge, the Science Department has expanded this year by experimenting with new teaching techniques. A Harvard Project Physics course, seven periods of class per week (of the revised Chemistry, Physics, and Biology courses), and a new project laboratory are among the changes made to suit the needs of modern science students.

Included in the enrollment at P.H.S. are a group of students who at this point in their educational life are uncommitted to any chosen career. To provide this group with an opportunity to explore the various occupational endeavors that may be open to them, a new concept known as Occupational Education has been initiated at P.H.S.

While the program is primarily vocationally-oriented, it is more flexible than the conventional Vocational School. The shop programs include: Automotive, Power Mechanics, Machine Metals, Ground Maintenance, Building Maintenance, and Drafting.

Creating, performing, and appreciating music are the various aims of the Music Department's wide selection of electives. Besides classes in Music Appreciation and Harmony, there are vocal and instrumental groups comprised of students deeply involved in music. Inspired by the visits of Welsh and German music groups in summer 1970, P.H.S. groups are planning to travel — the singers to Europe and the band to the Washington, D.C. Cherry Blossom Festival.

Many seniors, feeling a need for artistic expression, find a haven in the Art Department.

It offers, in addition to traditional courses in a broad range of media, the innovation of a course strictly in ceramics and sculpturing. As part of the Honors Program, another innovation, P.H.S. students are the first in the city to present an art show at the Berkshire Museum.

Throughout our three years at P.H.S. the Guidance Department has assisted students in choosing schedules of courses, in adjusting to the program laid out, and finally, in making plans for the future. This spring, Guidance has planned occupational seminars and a college profile film series to intensify its effort to help P.H.S. students to attain the best possible careers after graduation.

ACTIVITIES

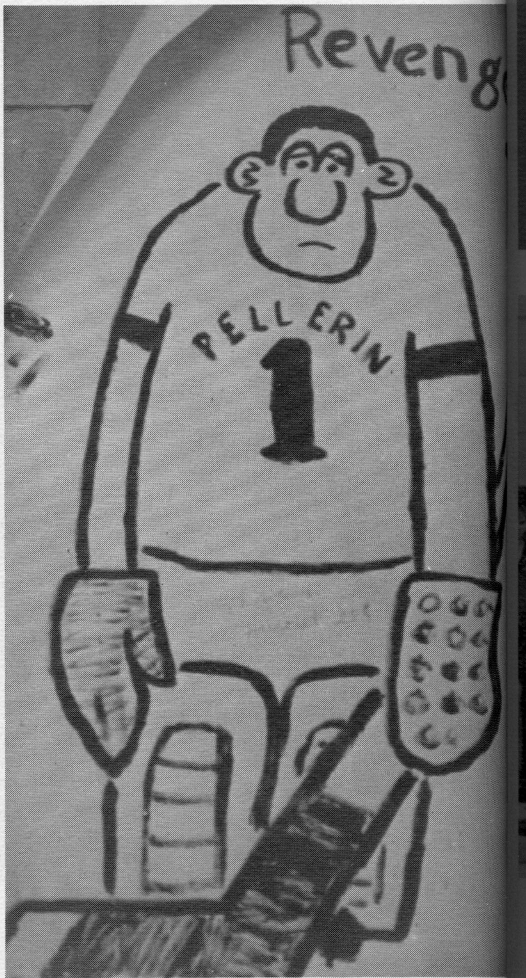

The beginning . . .

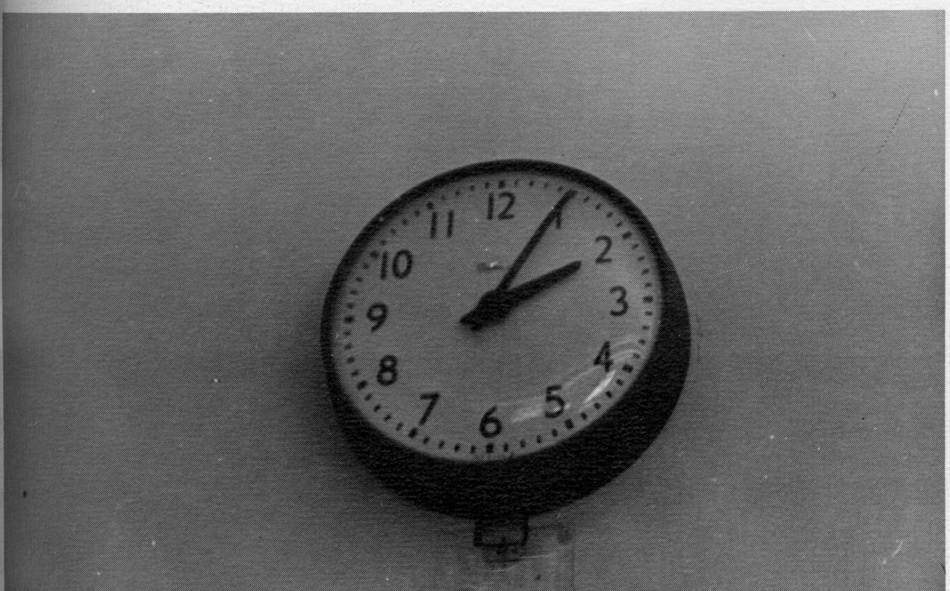

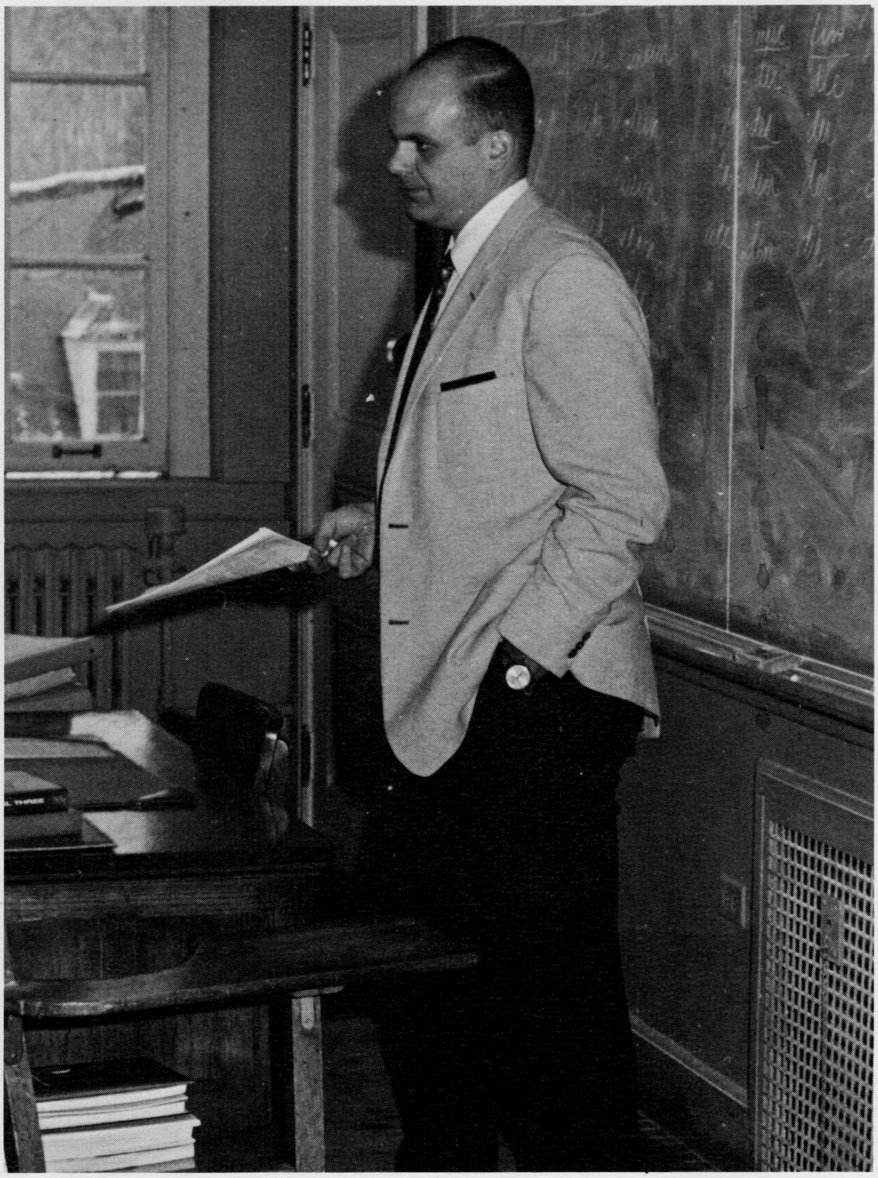

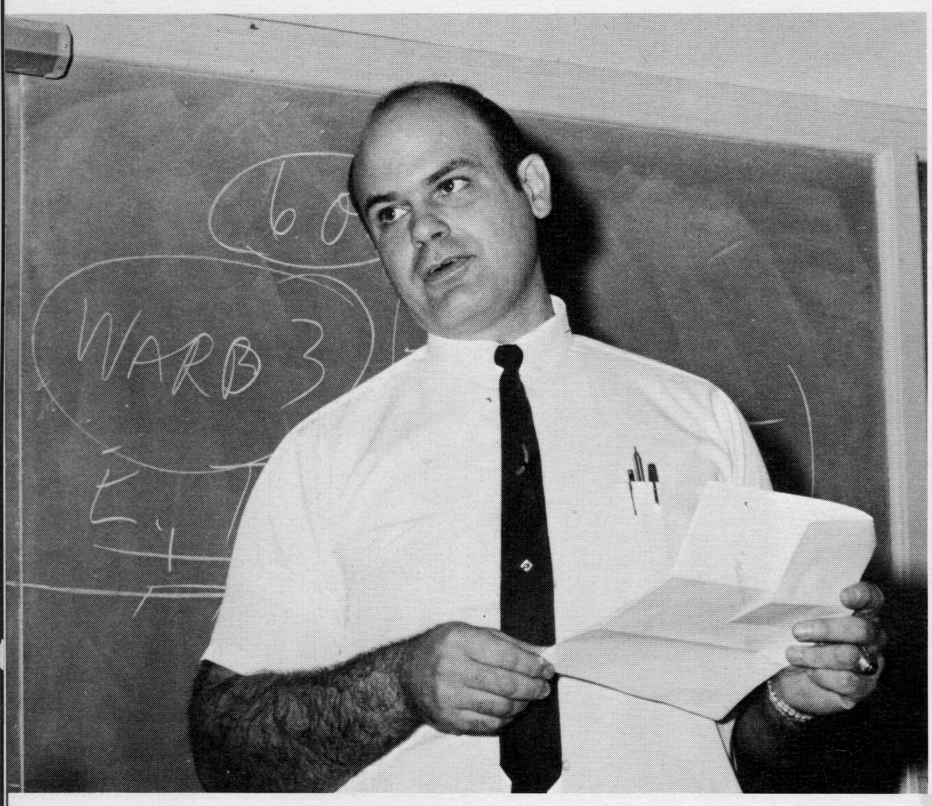

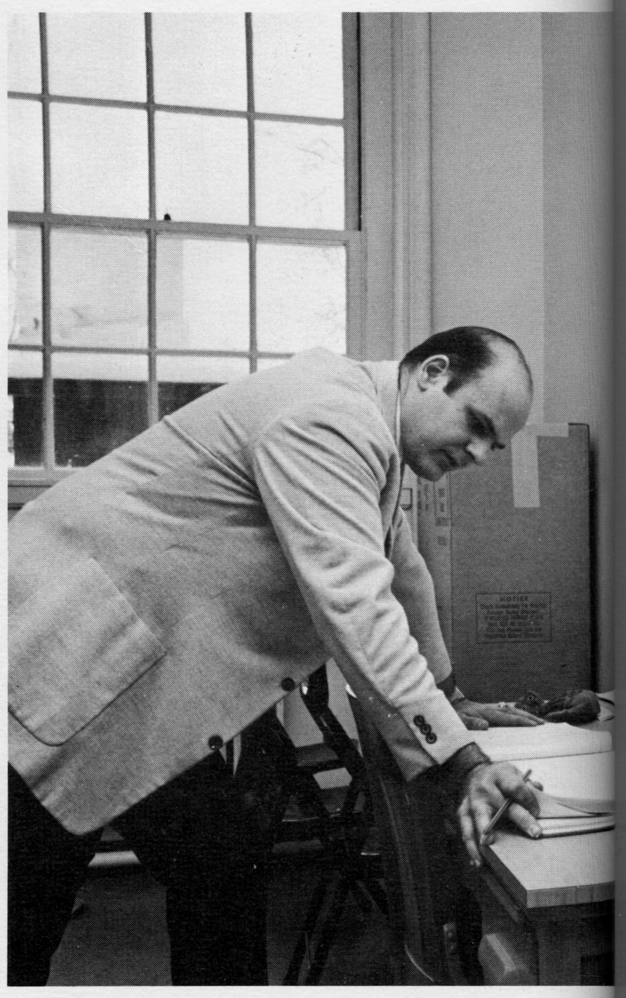

. . . the end.

He Speaks With Faith of People Who Can Win . . .

We watched him
Lean two-handed on lectern and
Donut wagon
Rush powerfully to kick soccer goals and
to shake dormant concern alive
Pronounce the grand Teutonic and
fair judgments
Care genuinely for individuals and
a class of P.H.S.
Then we listened to him
Discuss with determination
successes to be had
Speak with faith of
people who can win
Raise his voice in pride,
for true principles,
Intonate a unique devotion to
that which is best in
people and ideas . . .
We reciprocate his trust in full measure—
the greatest compliments to be paid
any man.

CLASS OFFICERS: Boys' Vice President Mike Harper, Secretary Sandi Potter, President Mark Ditmar, Co-Treasurers Bill Deuring and Anna Cirillo, and Girls' Vice President Katie O'Donnell.

They're the Busiest People in Any Class

Bright tags hanging from purses and buttonholes, booster buttons, and colorful posters on display in the cafeteria signaled the start of senior elections. Final tabulations of the votes decided that our class officers would be: President Mark Ditmar, Boys' Vice President Mike Harper, Girls' Vice President Katie O'Donnell, Secretary Sandi Potter, and Co-Treasurers Anna Cirillo and Bill Deuring.

The class officers had the great responsibility of planning both popular and financially successful activities. They certainly made our last year at Pittsfield High a memorable one.

A Bridge between Administration and Student Body

Under the advisorship of Joseph Fox, the Student Council insures proper coordination of school activities among other divisions of the student government. The Student Council was instrumental in proposing plans for a student lounge, in tutoring mentally retarded and severely handicapped children, and in raising money for the Citizen's Scholarship Foundation.

During "A" periods, the walls near room 108 vibrate as the band plays. One may well say that the band, under the capable direction of Mr. Lee Hammel, has become professional in both its playing and marching. The band always receives a great response at rallies and after its unique half-time shows at football games. It is evident that everyone has become aware of its talents. This year the band has the honor of being invited to take part in the Cherry Blossom Festival in Washington, D.C. The band is, and always will be, a credit to the school.

The newest and most unusual singing group is the Canzonettes. This group, whose costumes are reminiscent of medieval England, sings madrigals.

This year has been one of expansion for the P.H.S. Singers. In addition to the Madrigals and the Choraliers there are three new groups, the Canzonettes, girls' chorus and the folk singers. Mrs. Elsbet Wayne, advisor to all groups, is assisted by Madrigal president Darlene Robinson, secretary Barbara Ryan and senior board members Charles Randall and Eileen Torra. The highlight of the 1970-71 year will be the Singers concert tour of Europe.

The Cadettes can be seen at every home football game waving their purple and white pom-poms. In addition to games, they march in parades, participate in rallies, sponsor a fashion show, and perform various community services.

The new advisers for Cadettes this year were Gaul Caulfield and Veronica Collins. Their help was greatly appreciated by every Cadette.

G.A.A. is Co-operation and Friendship

The Girls' Athletic Association, with President Sally Lancaster, Vice-President Carol Ciaschini, Treasurer Marianne Curd and Secretary Michele Dennis, was undoubtedly a success throughout this year's activities.

Fall was time for the volleyball playday for sophomores, round-robin and varsity volleyball and a hayride. In winter the G.A.A. caroled at local nursing homes, and sponsored a co-ed volleyball game, ski night and a splash party. The highlight of the season was the Valentine Dance. Spring brought a badminton tournament, as well as basketball and gymnastics play days, roller skating, and last of all the annual banquet at the Stanley Club. The G.A.A. gave many girls at Pittsfield High the chance to pursue new and old interests in a relaxed setting of friendship and fun.

Maggie Diamond is crowned queen of the G.A.A. Valentine Dance.

A lot of hard work made the G.A.A. Valentine Dance successful.

The girls' sports program, under the direction of Nancy Lomonski and Janice MacDonald, offers an opportunity for the girls of P.H.S. to compete in various athletic activities. As most senior girls do not have physical education as a part of their schedules they welcome the chance to take part in the intramural program.

A new sport, intramural basketball, was added to the assortment of athletic activities for girls. It provides the fun and excitement of a competitive sport for all participants. The girls were doubly excited when their team ended its first season as champion of the Northern Berkshire League.

We hope that the girls' sports program will continue to grow in coming years. and we wish the team and its coach much luck in the future.

Mr. Richard Frost, adviser and judge, assisted by Mr. John Coffey and Mr. Ray Bass, has instilled the winning spirit in the members. The varsity and novice teams met each school in the league twice during the year.

Chess Club

With a small membership, this year's Chess Club is not formally organized. The club has formed a tournament team of five members — Glenn Curry, Brian Kelly, Richard Rivard, Ellis Sumy, and Peter Zawistowski. The team competes in a division of the Western Massachusetts and Connecticut Valley Interscholastic Chess League.

Creativity and Talent Encouraged

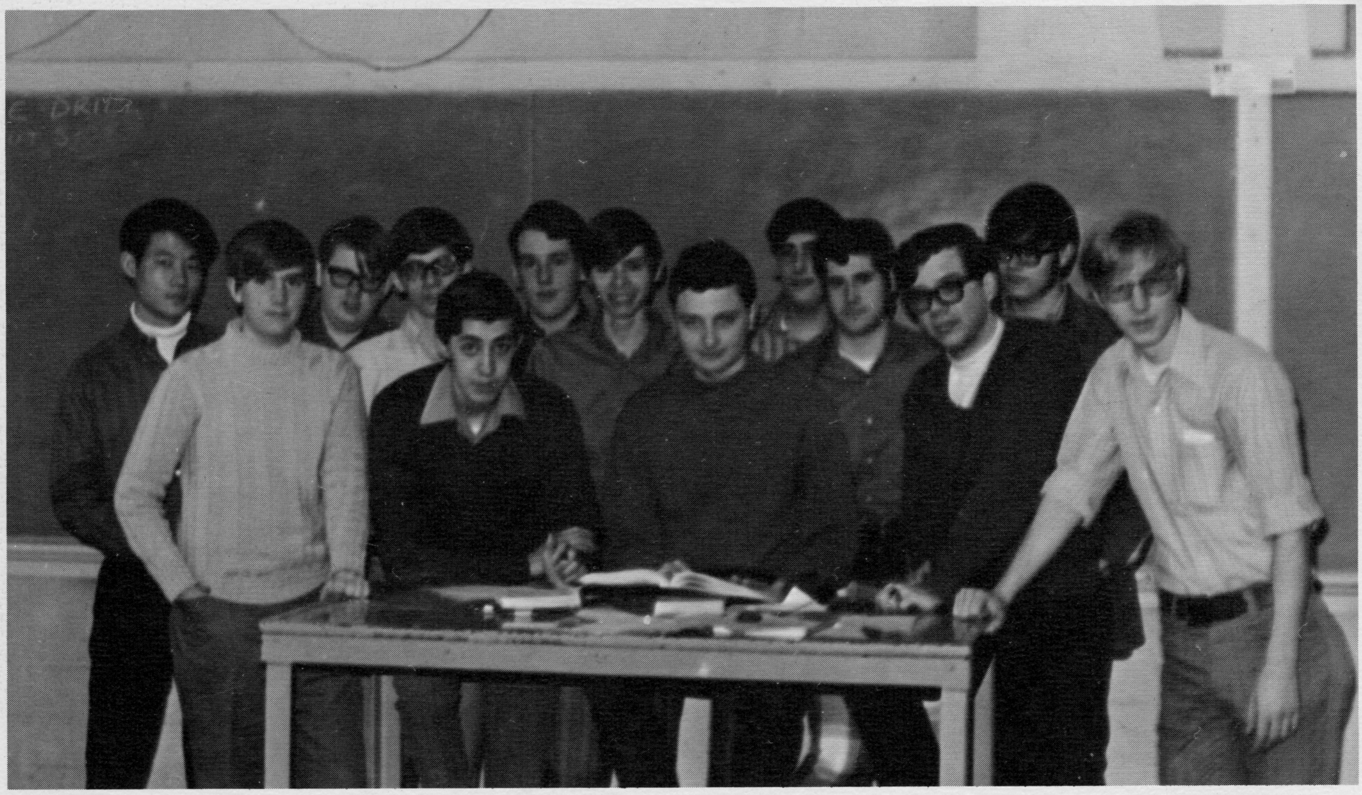

Flo Rood, talented artist, designed the endsheet for the DOME.

Currently the Art Club is meeting during A periods under the direction of the creative Mr. Zwingelstein. The club provides a time for the serious art student to gain more experience than he can during regular class periods. The club offers additional activities such as field trips to museums, lectures and films. In the course of this year artistic work of P.H.S. students was shown in the Berkshire Museum's art program.

J.E.T.S.

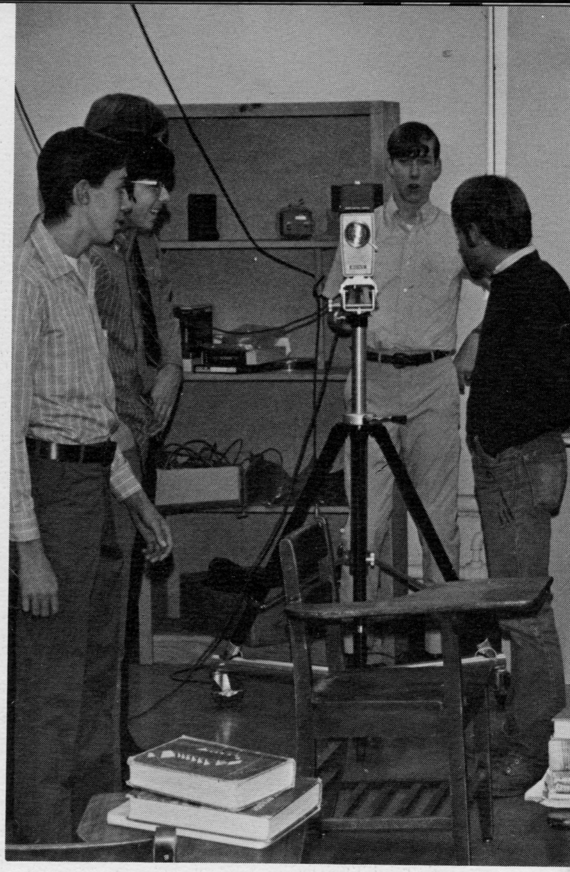

Under the auspices of the Junior Engineering Technical Society, future technicians hear prominent guest speakers, make frequent field trips, and work on varied experimental projects. Many of the students enrolled in the Technical Course have taken advantage of this opportunity to learn more about their field of concentration than their regular school work can include.

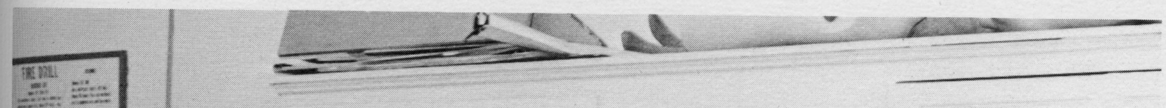

Audio-Visual

A considerable amount of the material which supplements our text books is composed of film strips and movies. Advised by Mr. Stephen Smallman, the audio-visual club edits these documentaries for classroom use. The club members are also preparing a slide-tape of typical school scenes for the benefit of the incoming sophomores.

D.E.C.A.

D.E.C.A., the Distributive Education Club of America, gives students who are interested in a retailing career training on the job where they are employed. Students often hear informative speakers and go on field trips, which give them a great deal of helpful information in plotting their careers.

The STUDENT'S PEN is a literary magazine published four times a year under the direction of Mrs. Patricia O'Leary and Mr. Bruce Zwingelstein. Lead by co-editors Maxine Stein and Bob Reder, the talented and energetic staff produce a quality seldom found in high school publications. Its interesting format includes outstanding examples of creative writing, art and poetry.

An integral part of student life at P.H.S. is the IN GENERAL. IN GENERAL, now in its seventh year of publication, has filled the need for a comprehensive school newspaper. Under the able direction of Editor-in-Chief Jan Brickley, it provides up-to-date school news, sports coverage, current events and editorials.

Football Team Shows Tremendous Spirit

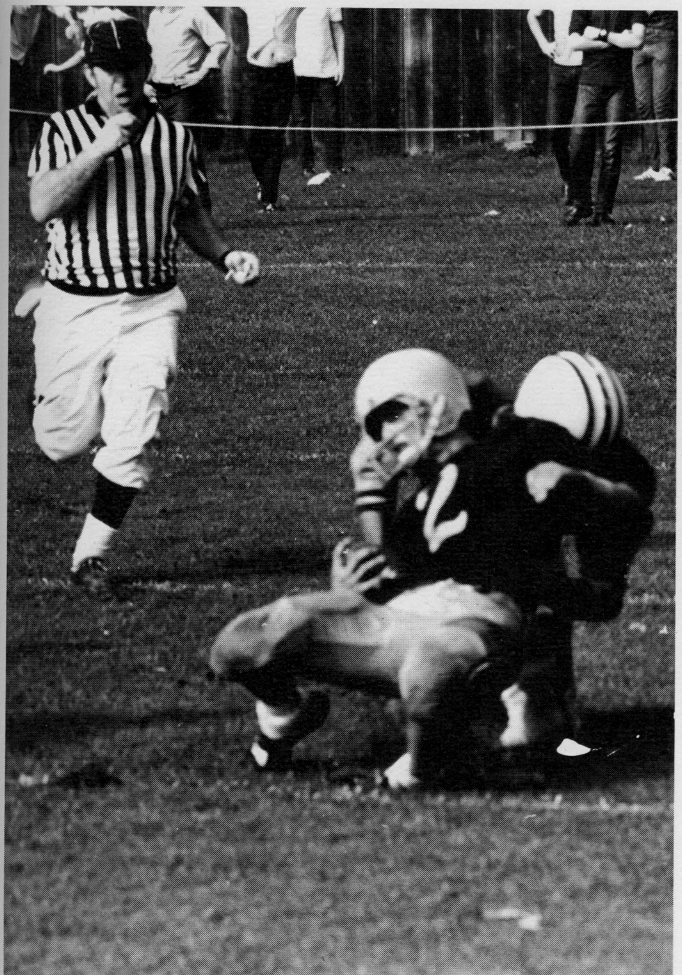

Red Rover, Red Rover, Send 31 Over.

Despite the disappointing finish of an initially promising season, this year's team showed great improvement over last year's. A record of 3-5 may not indicate a successful season, but the team played well, and, perhaps, with more luck and fewer mistakes, the season would have ended as successfully as it had begun. A record alone is not a true measure of the spirited play that was typical of the team throughout the season.

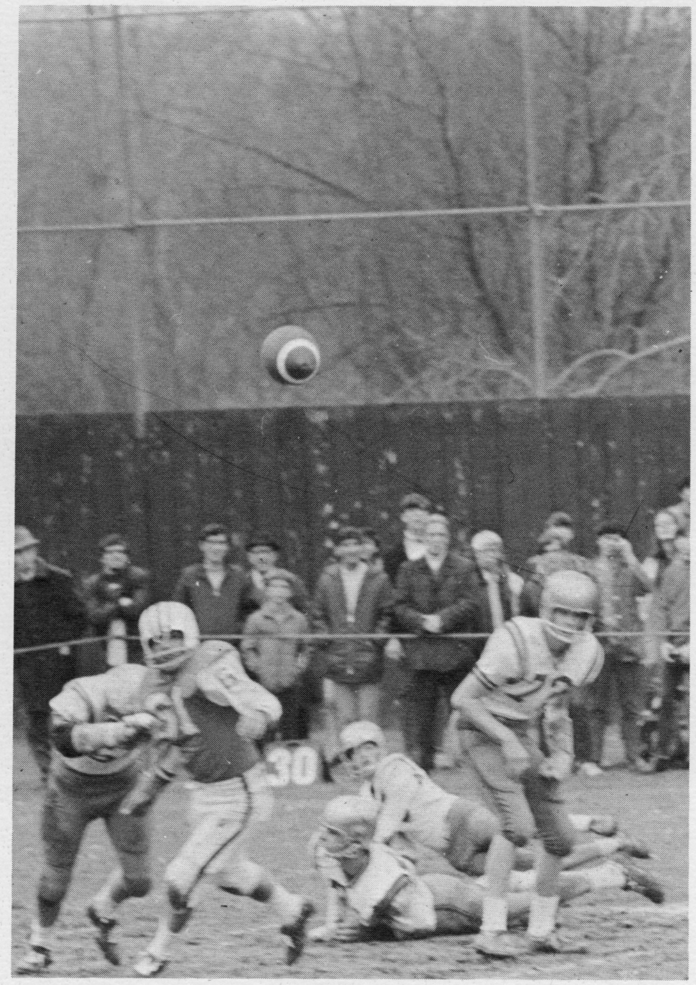

Our team was lead by two able Co-Captains, seniors Tim Isabell and Bill Burke. Halfback Maury Matteodo had another sparkling season, while Paul Homich gained recognition for his outstanding blocking week after week. The rest of the team deserves credit for its 100% effort whether winning or losing. The 1970 P.H.S. Football Team should not be remembered for its record, but for the teamwork and spirit it showed in all its games.

Soccer Team Sets Best Record Ever

Faced with the awesome task of rebuilding after losing nine of eleven starters, the 1970 P.H.S. soccer responded with amazing prowess. Under the guidance of Coach Robert McGee, the team compiled its finest record, ever: 10-3-1 league play and 14-3-1 overall. P.H.S.'s chance for a league title was crushed with a loss to Monument Mt. in the league finale. In the Western Mass. Tournament P.H.S. then bowed to Chicopee High, who eventually became New England Champions.

Although the season had its disappointments, many thrilling plays and crucial moments made it memorable. Anyone who saw the Generals' tremendous comeback in the game against Mt. Greylock will agree that the season did not lack excitement. The success of this year's soccer team can be attributed to the players' abundant spirit and skill. Co-Capt. Mark Ditmar succeeded in wiping out all existing P.H.S. scoring records. His 30 goals broke his own record of 12 for his junior year and just missed a league scoring title by one goal. Bill Deuring, the team's other equally capable co-capt., was outstanding defensively for the Generals.

In the past few years, P.H.S. soccer teams have improved tremendously. The 1970 season team was no exception. It is certainly a team of which to be proud.

Chris Huban goes up for the rebound

The basketball team shared the fate of many other P.H.S. teams this year. They worked hard and showed steady improvement, but the luck almost always went to the opponent. The team lost many a hard fought battle in the closing seconds of the game. The most bitter losses, however, were those suffered at the hands of our city rivals.

Mark Ditmar, out for his first time, was the season's high scorer. Co-captains Tony Paralta and Gary Tate made strong showings for the team, and junior Chris Huban was a surprising standout. Bob MacDonald unfortunately suffered an injury mid-season, but Tim Briggs, Mike Ziemac and Jeff Alexander were very able replacements.

The team had a rough season this year but, with most of the members returning next year, it can certainly look forward to more successful seasons in the future.

Hockey Team Makes A Good Showing in Hennessey Division

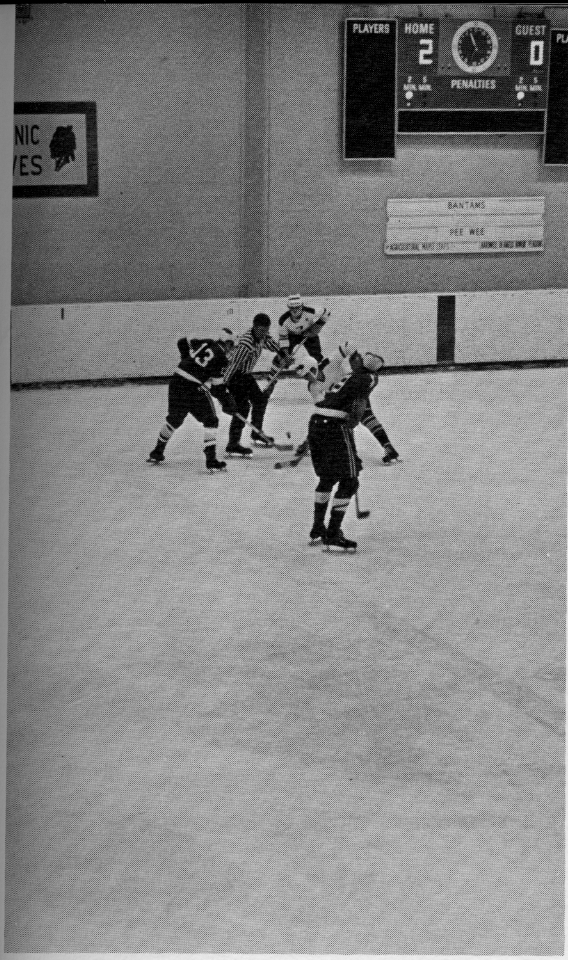

Going in for a goal.

In this first year of the Hennessey Division games, Coach Don Murphy's hockey team posted a record of four wins and five losses. Fiercely determined, the P.H.S. hockey players threw strength and excitement into the matches, a fantastic display of P.H.S. enthusiasm which drew more and more spectators out to see P.H.S. on ice. Dynamic captain Tom Carmody and co-captains Ben Cole and Rick Jeffrey led a team of outstanding seniors, juniors, and sophomores to goal after goal. Worthy of praise for their contributions to P.H.S. victories are Mark Francis, Tom Rutka, Brent Douglas, Dave DeMartino, Dan Caritey, Co Harrington, Dave Murphy, Bernie Champoux, Dan Martin, and Manager Gary Davine.

First Row: Dave Murphy, Co Harrington, Jim Allessio, Rick Jeffrey, Tom Carmody, Ben Cole, Dave DeMartino, Brent Douglas. **Second Row:** Dan Caritey, Mark Francis, Bill Wanamaker, Bernie Champoux, Mark Gionet, Dan Martin, Billy Broderick, Mark Ferris, Managers Gary Davine and Doug Robinson, Tom Rutka, Coach Anderson, Coach Murphy

"That's putting them on their seats, P.H.S."

"Don't shoot! You've got the wrong goal No. 7!"

Swim Team Makes Big Splash

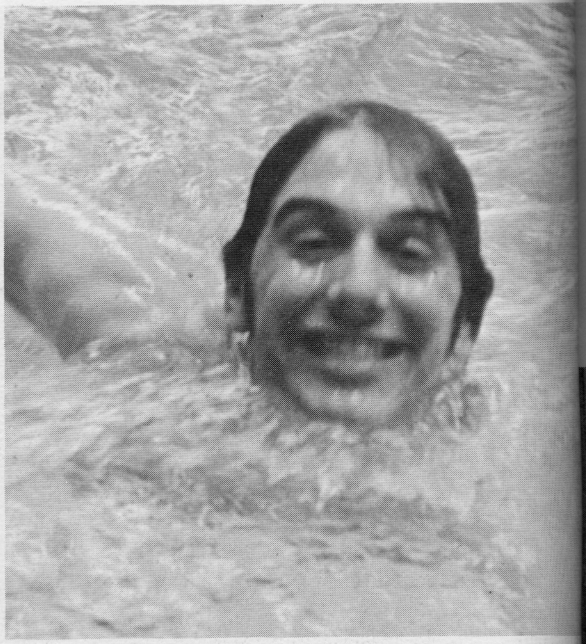

First Row: Charles Ortenberg, Steve Melofsky, Keith Vincent, Alan Bagdonas, Dave Wilson, Keith Anderson, Lee Meisenheimer, Dan Garbowit, Coach Robert Magee. **Second Row:** Steve Descz, Keith Lang, Bob Shaver, Keith Hurdle, Ronald Condon, Denis Arsensol, Danny Risch, John Lloyd

The most successful team of the winter season was the swim team. With only sixteen boys, the team was able to better last year's record significantly because of a change in league. Relying on the strength of the consistent placers, the team completed a record of 6-8 and became the first P.H.S. team of the year to beat Taconic.

The high scorers for the season were Al Bagdonas, Steve Descz, Keith Lang, and Keith Hurdle. Sophomore Bob Shaver showed great promise in diving when he broke the previous school diving record of 171 points, setting a new one of 197.

Bob Shaver can really fly.

Steve Descz does some flying himself.

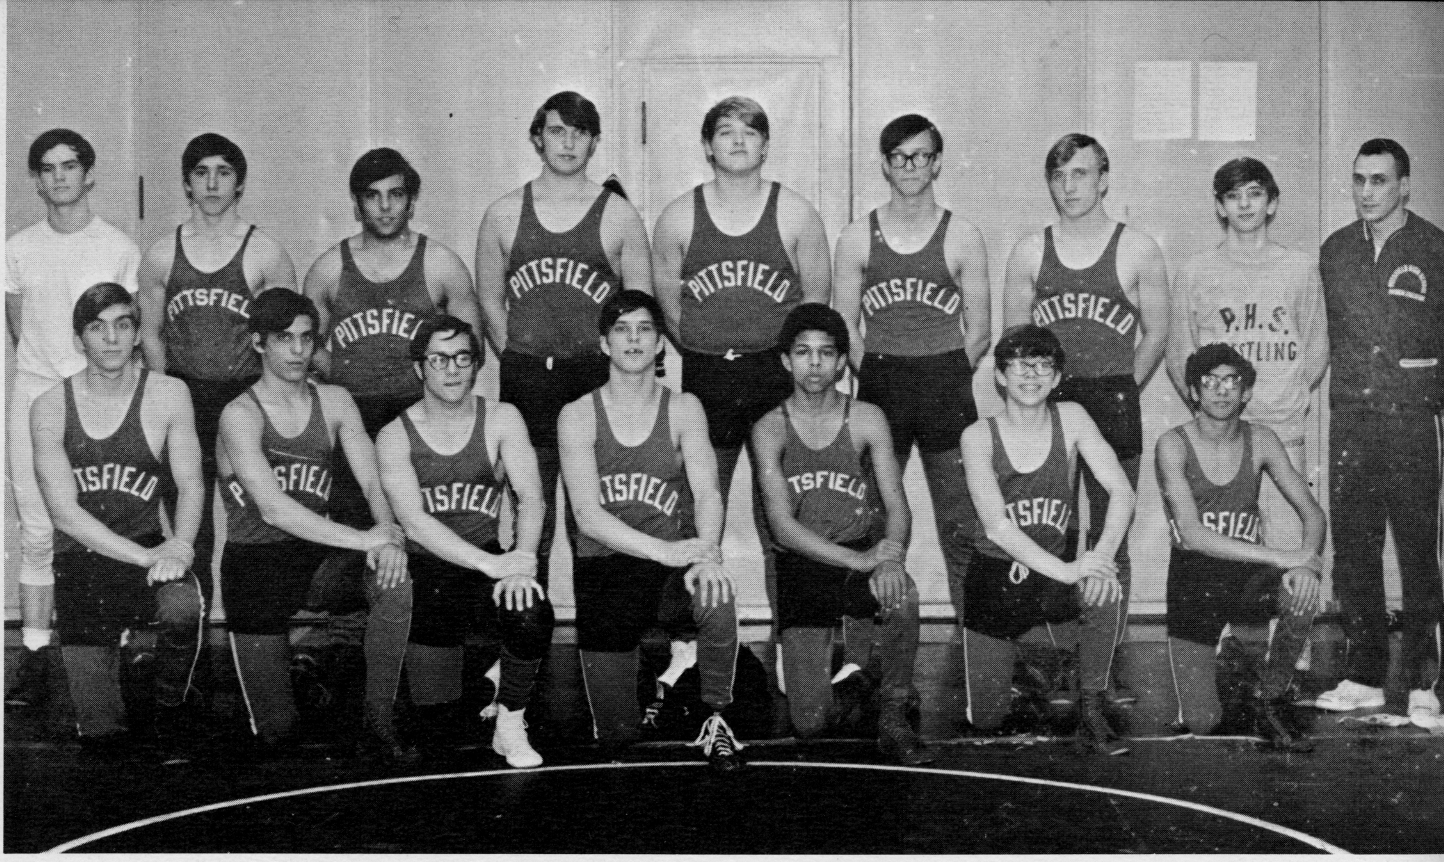

Ski Team Has Some Bad Breaks

The ski team had a rather disappointing season this year. Even though they bettered their win-loss record for the weekly meets, they lost the Berkshire Interscholastic Meet for the first time in ten years. The team attributes this loss to a few bad breaks during the meet and a lack of strength in the Nordic events where the bulk of its strength has been in the past.

The members of the Interscholastic team were: Co-captains Mark Bishop and John Lucek, Matt Wheeler, Bill Kemp, Mark Leach, Bob Leach and Jim Pierro. Even though the ski team didn't live up to its own expectations, if you ask any member if he enjoyed the season, you will undoubtedly get an enthusiastic "yes."

First Row: Matt Wheeler, Jim Pierro, Bill Kemp, John Lucek, Mark Leach, Bob Leach, Mark Bishop, Tim Denison. **Second Row:** Coach Moxon, Tom Haydn, Dan Melle, Tim Downey, Andy Bradford, Mike Downey, Mike Breault, Kevin Flynn, Wyn Piper. **Absent:** Steve Groves

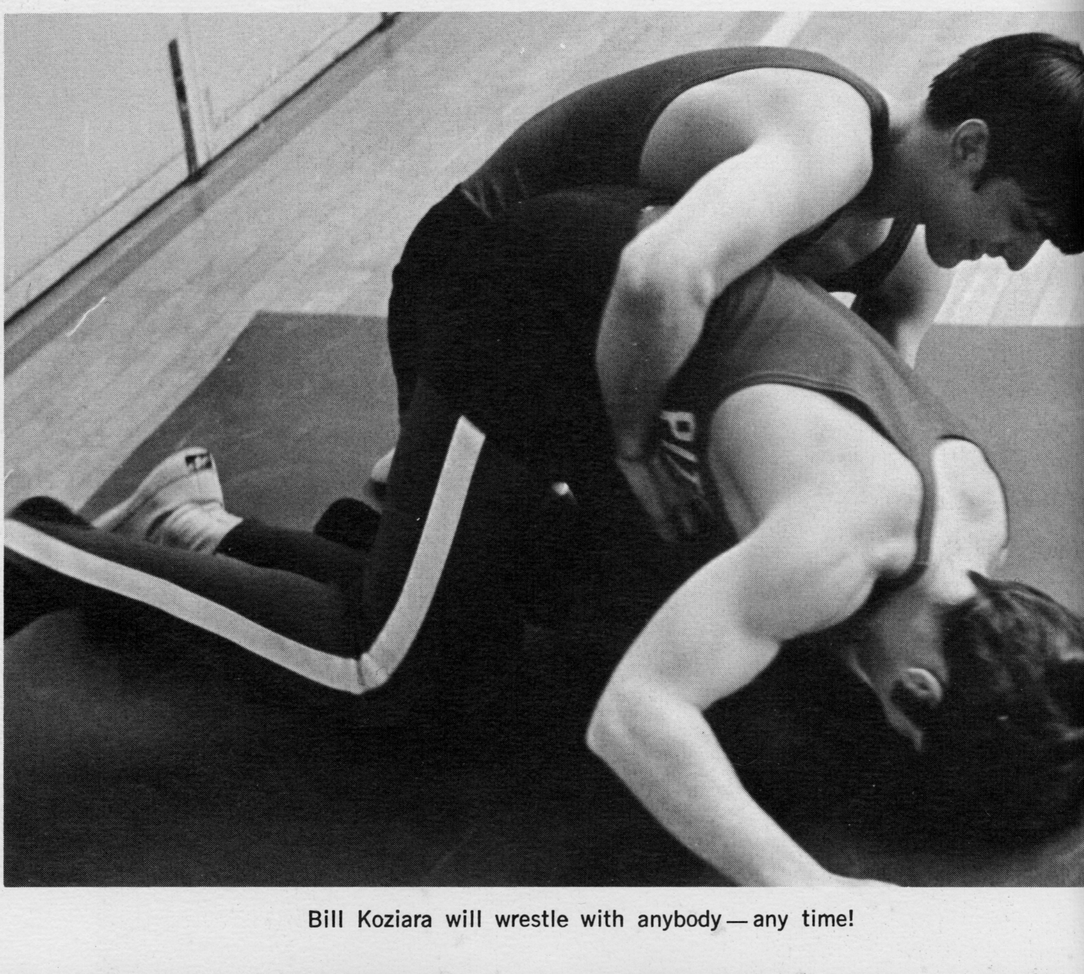

First Row: Pete Wheeler, Tom Tomasi, Glenn Russo, Captain Bill Koziara, Rich Freeman, Sam Slack, Paul Boison. **Second Row:** Craig McKinney, Charles Barbarotta, Pete DiNicola, Bill Harris, Don Anderson, Dave Nielson, Bill Burke, Lane Sherack, Coach Sylvester

WRESTLING TEAM HOLDS ITS OWN

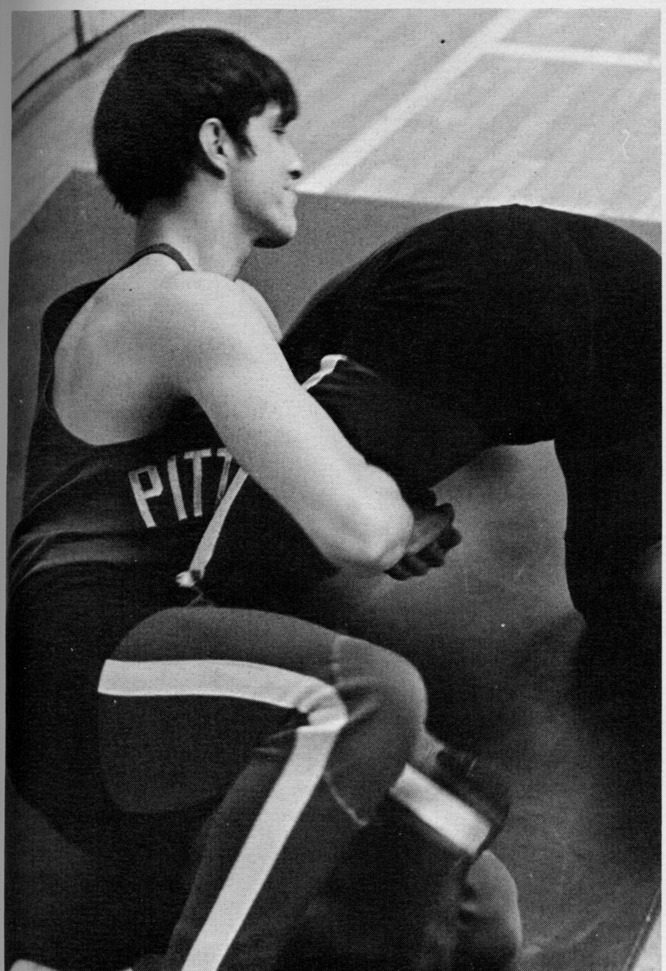

"The team didn't have a lot of victories this year, but we're holding our own" was Coach Sylvester's comment on the 1971 wrestling team. Most of the scores were close, but Coach Sylvester was especially happy with the team's 26-24 victory over Westfield and their defeat of Granby.

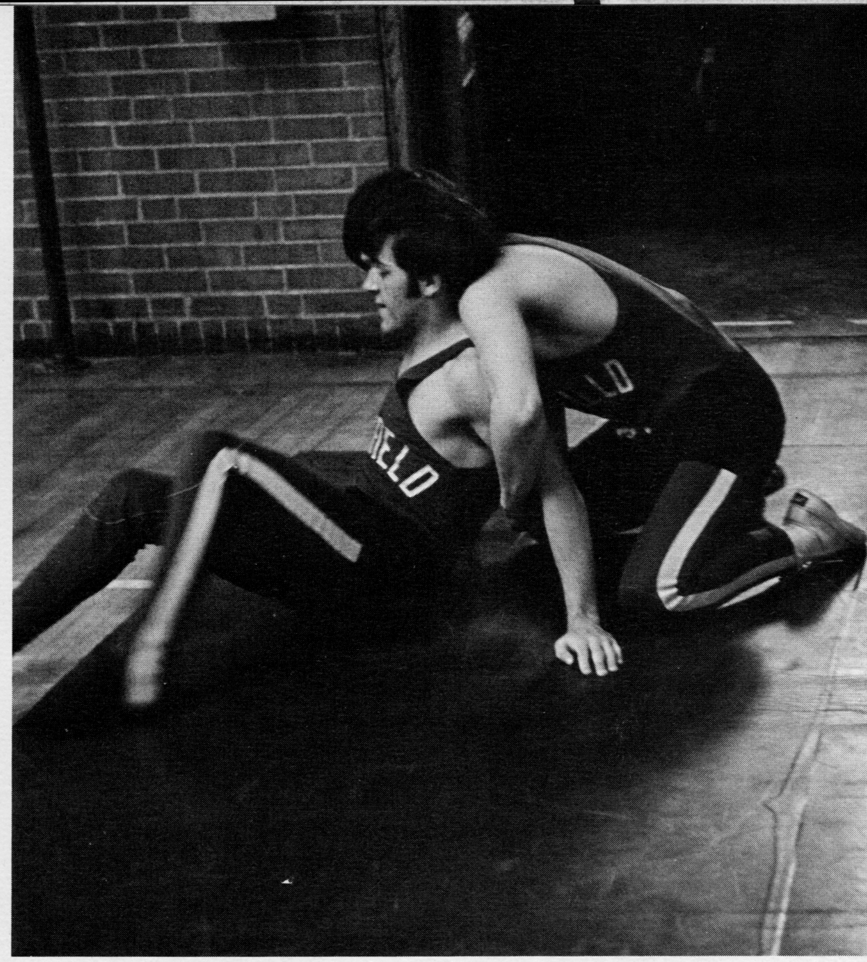

Captain Bill Koziara, in a class of his own, was superb throughout the season and took first place in his class in Western Mass. competition. Other strong members of the team include Bill Burke, Pete DiNicola and Sam Slack.

The wrestling team had great potential but suffered from lack of experience, for there were only four returning lettermen. Despite this, though, they were a tough team to beat!

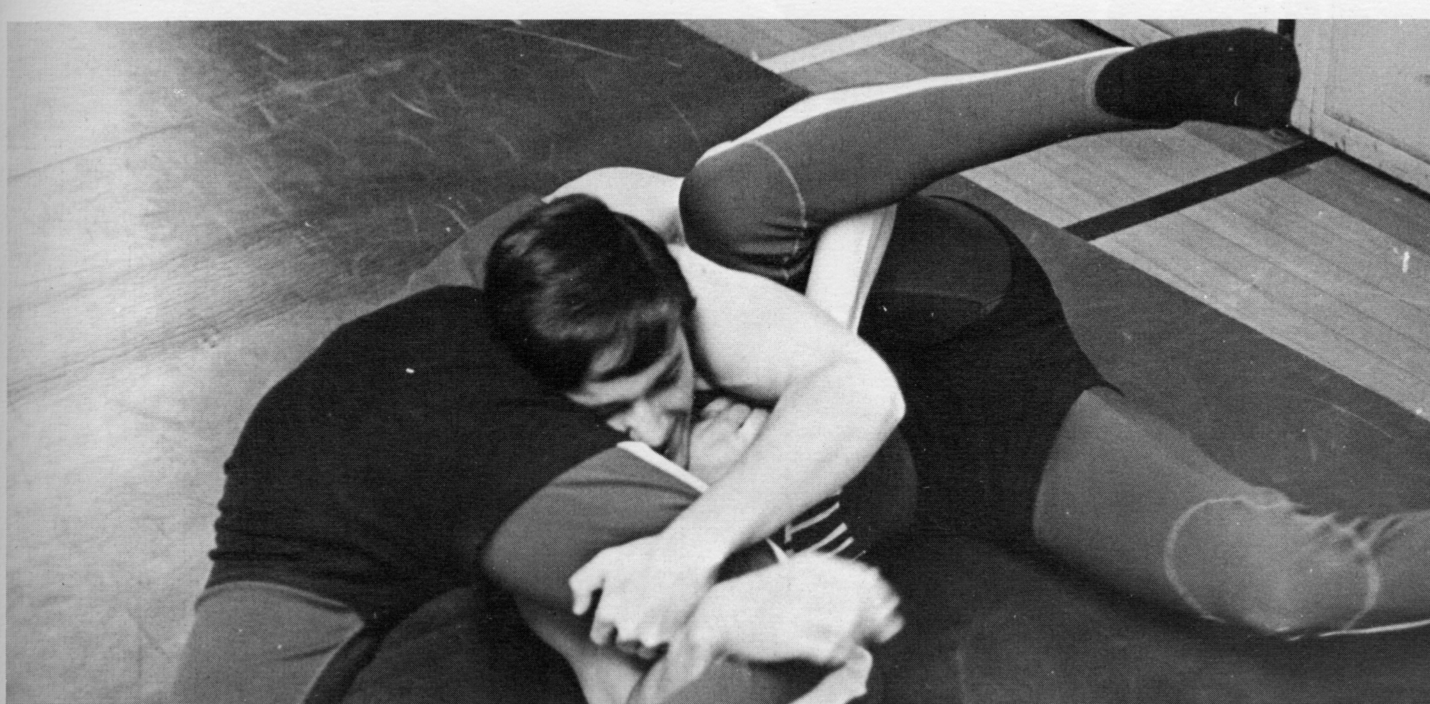

Bill Koziara will wrestle with anybody — any time!

HONORS

Five PHS Seniors Are National

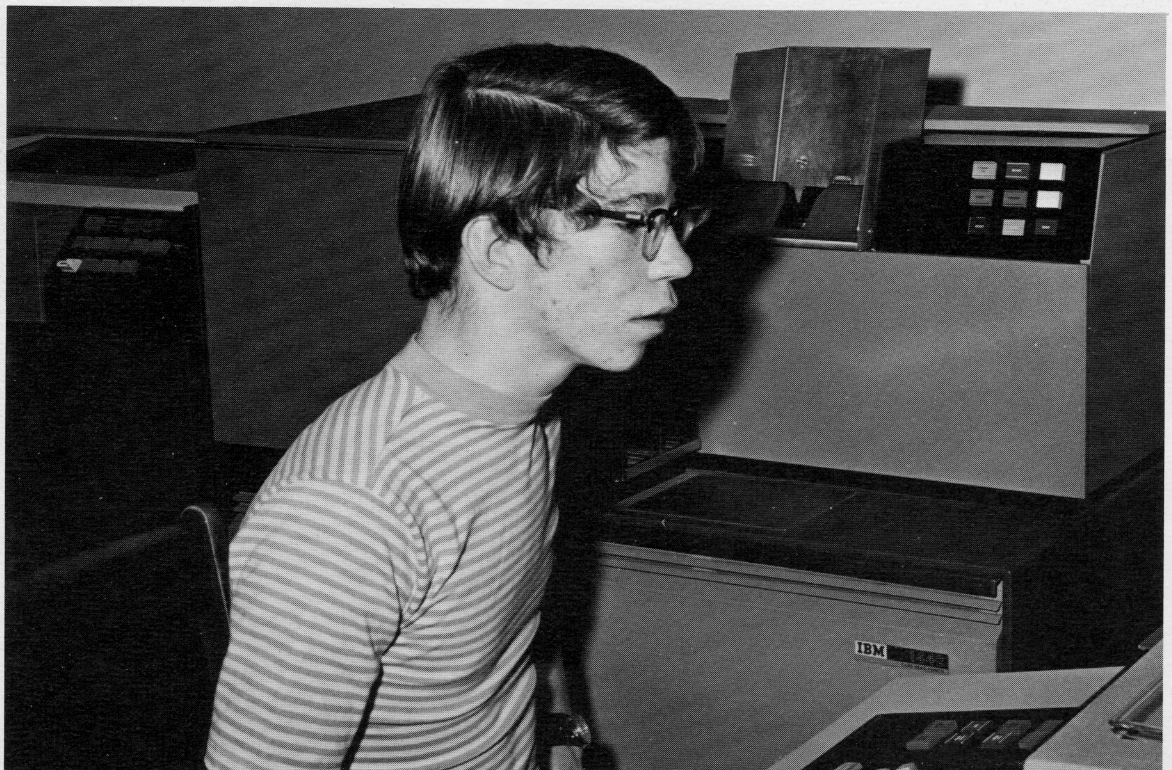

John Lucek, a member of the National Honor Society, is enrolled in A.P. Chemistry and Calculus. A member of the Science Club, he won the Thomas Alva Edison Award for Science. In addition to his studies, John keeps busy as co-captain of the ski team and a member of the track team.

Pittsfield High School has a long-established tradition of academic excellence. The Class of 1971 gives proof of that excellence in producing five National Merit semi-finalists.

Because of exceptionally high scores on the National Merit Scholarship Corporation's qualifying test, administered in February, 1970, the five were named semi-finalists. Considering that less than one percent of the graduating seniors in Massachusetts are selected, the title is a great honor. Also, semi-finalist status gives these students the opportunity to continue in the competition for valuable Merit scholarships.

Pittsfield High, particularly the Class of 1971, is very proud of these students.

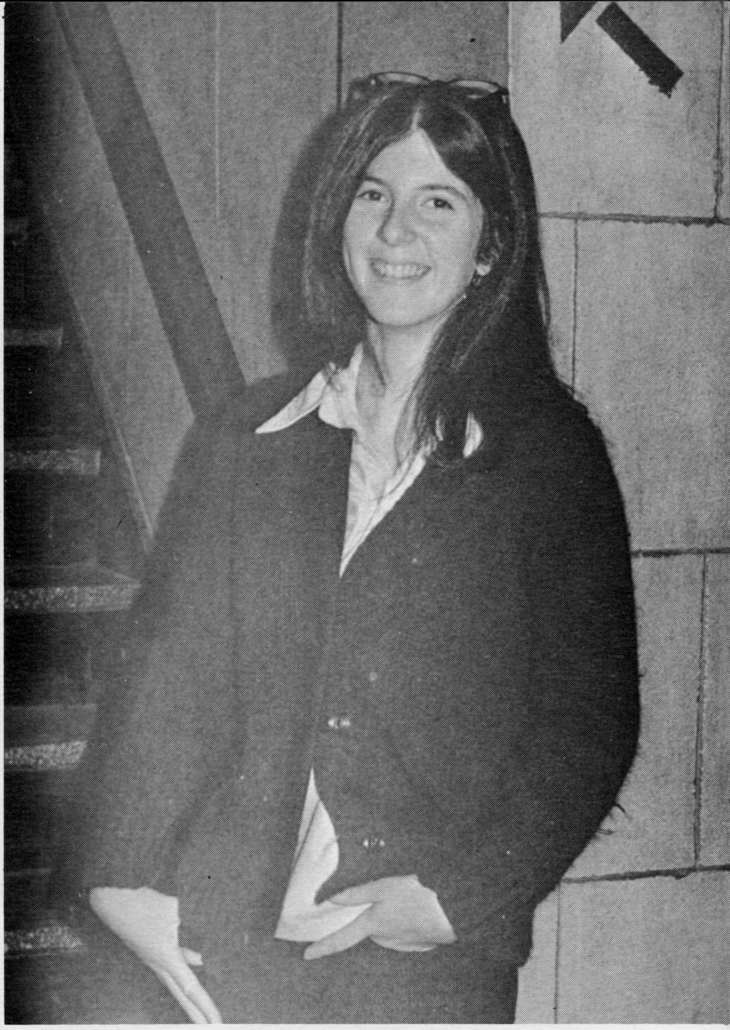

Bill Levering is quite involved with his studies with A.P. Calculus, Physics and European History. He is vice-president of both the National Honor Society and the Chess Club, as well as president of the United Students' Fund. Bill was a finalist in the Olympiad Mathematics Contest and received the RPI Award for Math and Science.

Merit Semifinalists

Bette Lovejoy, a member of the National Honor Society, is an Outstanding Teenager of America. Along with A.P. Calculus she takes A.P. Biology and is a member of the Science Club. At Jackson College, where Bette has been accepted Early Decision, she would like to pursue a career in medicine.

Amy Haidak, who transferred to Pittsfield High from Miss Hall's School in her junior year, takes A.P. English and European History. Aside from academics, Amy has an interest in voice.

Roger Caldwell, a member of the National Honor Society, is enrolled in A.P. Calculus and Physics. Outside of class, he is a prominent member of the J.E.T.S. and works with the group on various projects.

Bob Bradford, Eric Loehr, Barbara Cronin, Barbara Gleason, Amy Ortenberg, Nancy Peronto, Gary Jakacky

Twenty-Five Win Letters of Commendation

With scores just below the Semi-finalist cut-off point, twenty-five seniors received Letters of Commendation for their noteworthy performances on the National Merit Qualifying Test. A great credit to Pittsfield High School, these students are deserving of all the respect the faculty and the student body accord them.

Deborah Coy, Jerry White, John Leibinger, Linda Tanner, Douglas Howie

William Deuring, Randall Parsons, Susan Gaylord, Mark Knollmeyer

Debbie Scullary, Jan Brickley, Mark Ditmar, Bob McDonough, Bob Reder, Woody Bousquet

Linda Leon, Frank Florentine

Student Government Day Representative

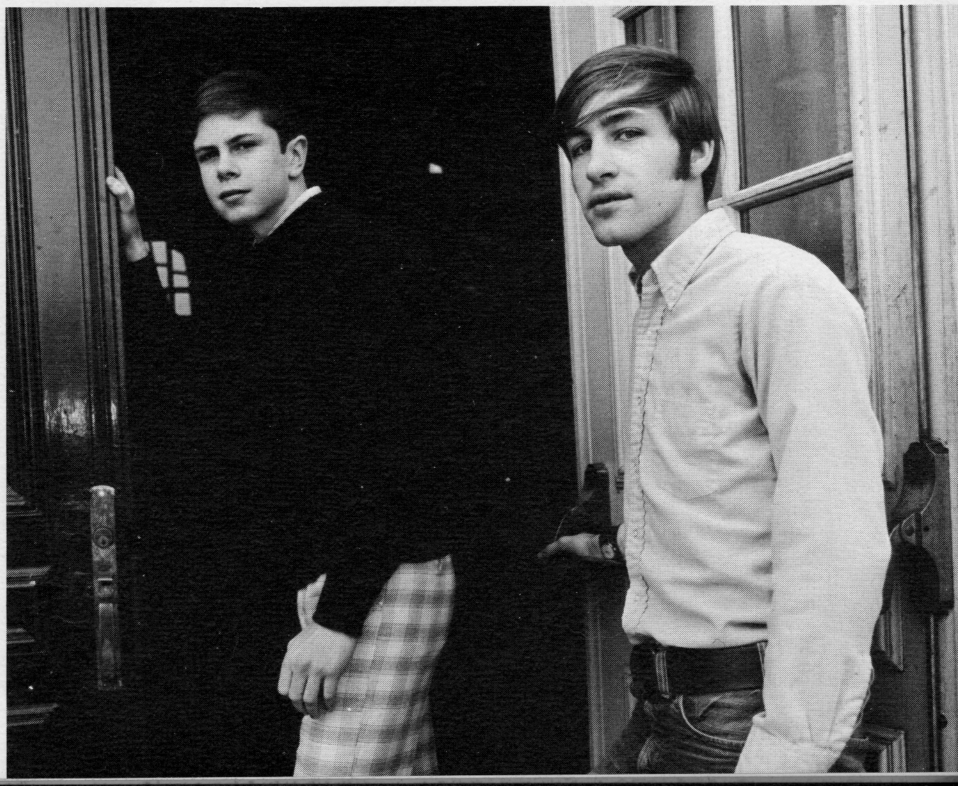

Outstanding Achievement In Science

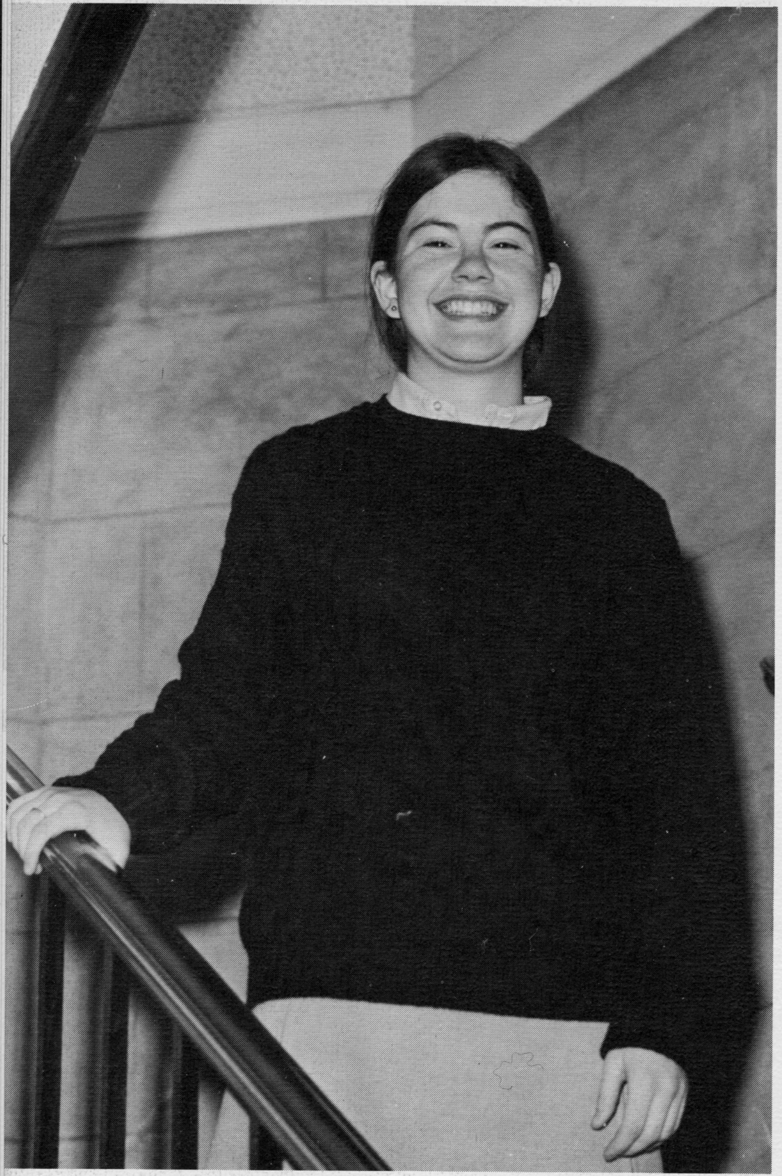

Throughout his high school years, Daniel Muzyka has indulged his avid interest in plasma physics both inside and outside the classroom. He has won first prizes for the excellent projects he has displayed at the Junior Engineering Technical Society Northeastern Regional Conference and Exposition and at the Massachusetts State Science Fair. Because of this demonstrated interest and ability, Dan was chosen to represent Pittsfield High in the competition for Western Massachusetts Electric Company sponsored trips to the National Youth Conference on the Atom. Dan was one of the few top young scientists awarded a trip to the Chicago conference, a great honor.

Each year various members of the administration and the History Department select the outstanding senior who will represent Pittsfield High on Student Government Day. This year they have chosen Bob McDonough to go to the Boston State House in April to assume various duties of the elected representatives to the Massachusetts Legislature.

Boys' State Representatives

Mark Ditmar, Jim Stankiewicz.

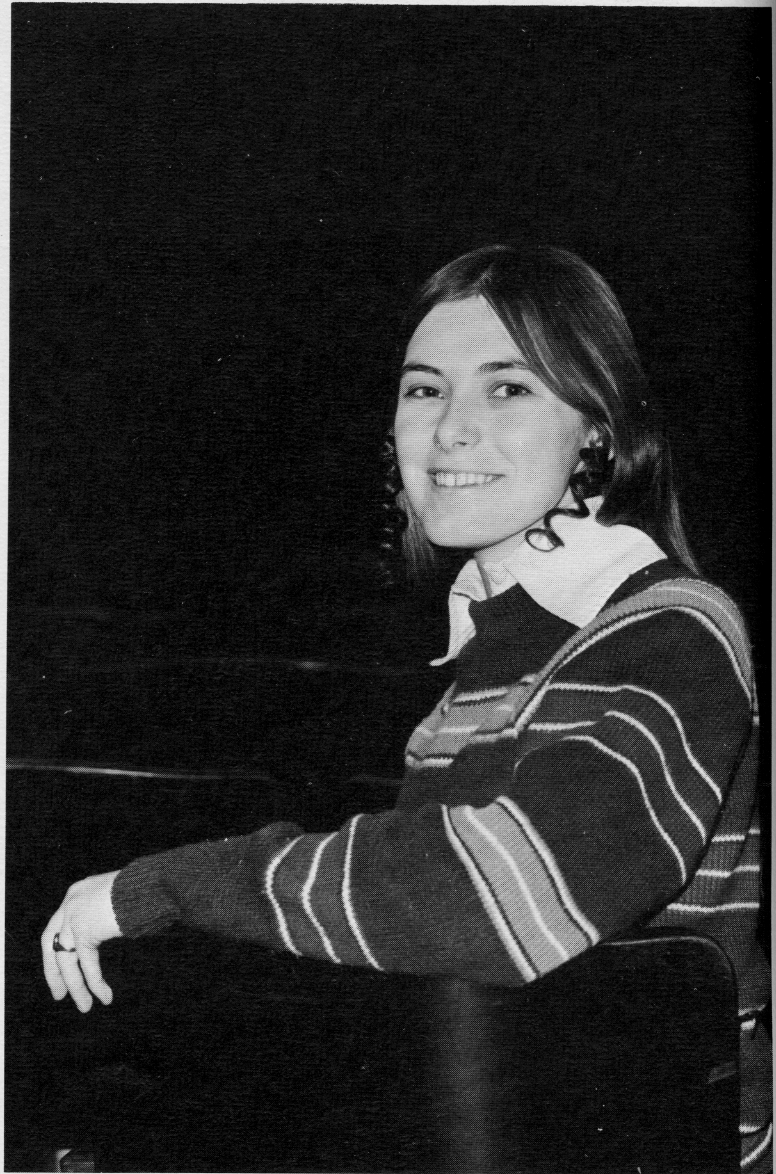

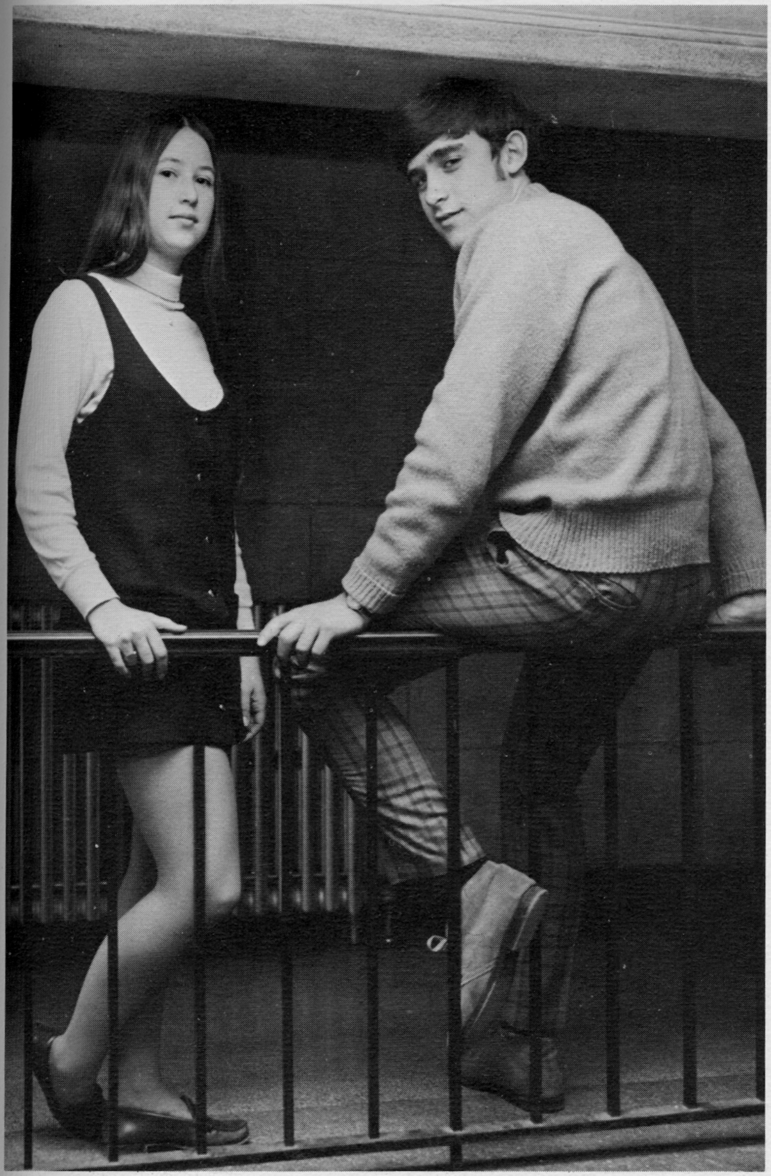

D.A.R. Award

The Peace Party Chapter of the Daughters of the American Revolution presents a Good Citizen Award annually. Constance Green is this year's recipient of the medal which is given to a senior girl judged outstanding in leadership, service, dependability, and patriotism. Connie, a C.P. student with A.P. Biology and History, is the president of the Student Council, secretary of the Pep Club, and president of the United Students' Fund.

Jewish War Veterans' Award

The Class of 1971's recipient of the Jewish War Veterans' Brotherhood Award is Deborah Barzottini. This award is given in recognition of the person who best exemplifies the theme "Classmates Today, Neighbors Tomorrow". Debbie, a business student, is secretary of the Homeroom Representatives, a Cadette, and a member of G.A.A.

Jan Brickley, Craig Harris

Bette Lovejoy

Mark Ditmar, Marianne Curd

Outstanding Teenagers of America

Because of their accomplishments in academics and in many activities, five seniors were nominated by Mr. Murphy for the special honor of being named Outstanding Teenagers of America. This awards program, sponsored by leaders of major youth organizations, commends high school seniors who have contributed significantly to their school and community.

Front Row: Peter Maruk, Karen Proper, Bette Lovejoy, Barbara Gleason, Nancy Peronto. **Back Row:** Woody Bousquet, Paul Homich, Doug Howie, John Leibinger, John Balint. **Absent:** Mark Knollmeyer, Anthony Borgo.

Front Row: Linda Leon, Patty Maroney, Debi Coy, Patty Pearce, Becky Malec. **Back Row:** Kevin Doolan, Mark Bishop, Bob Reder, Bill Levering, John Lucek.

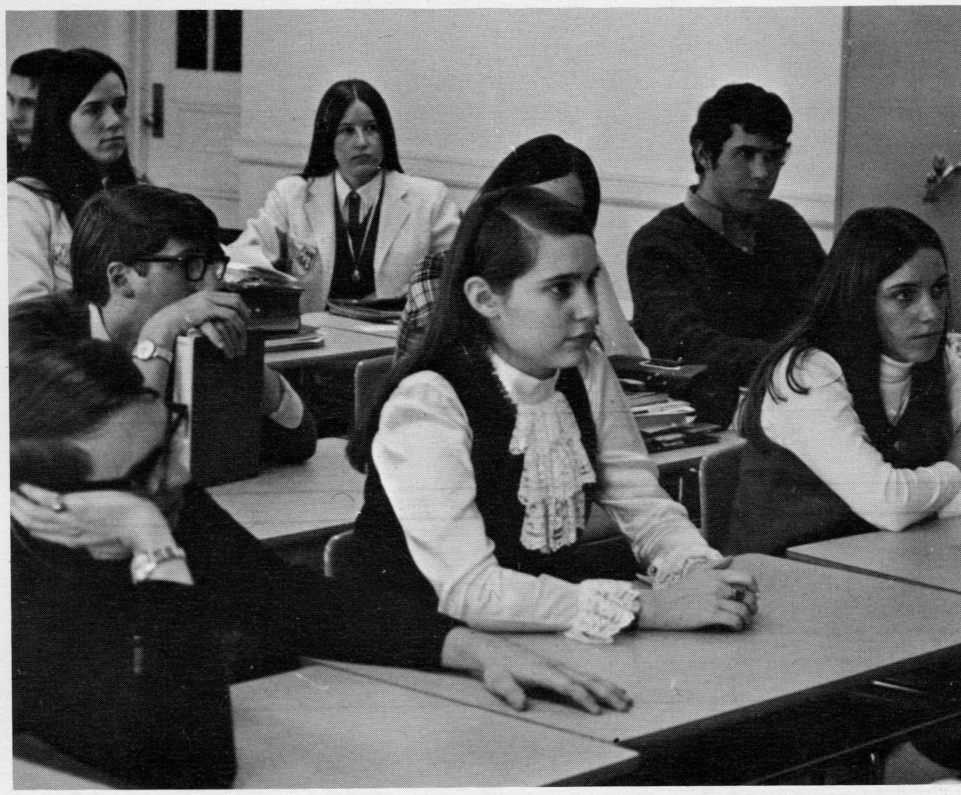

Front Row: Jan Brickley, Susan Blaisdell, Debbie Scullary, Marilyn Ornstein, Mary Carey, Susan Gaylord, Linda Tanner. **Back Row:** Brenda McKinney, Marianne Curd, Mark Ditmar, Mike McAvoy, Roger Caldwell, Bob Masoero, Dan Muzyka.

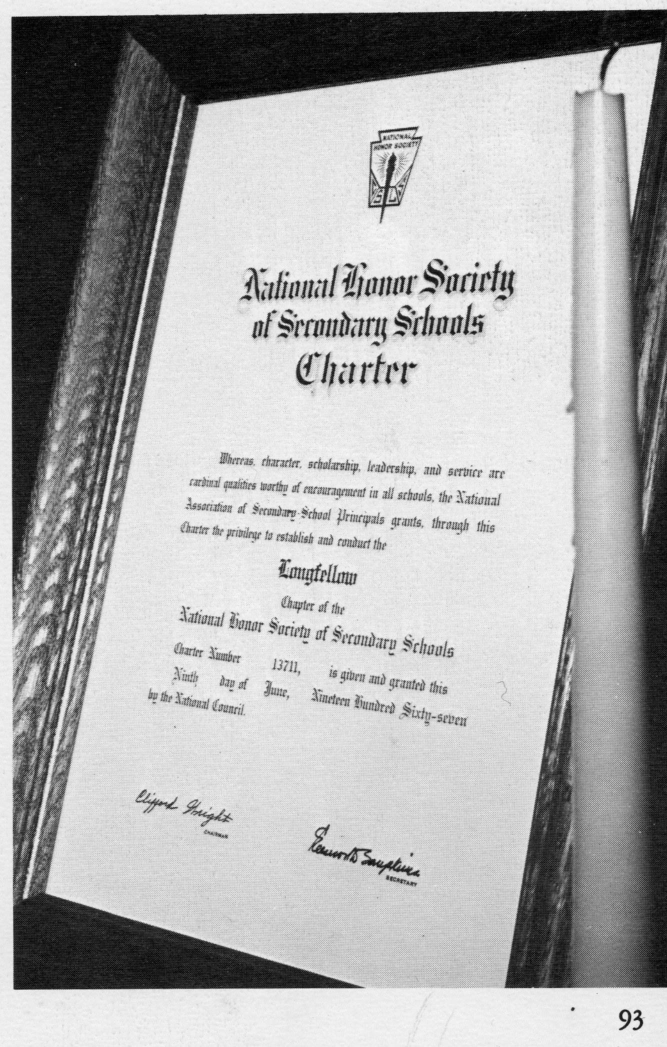

The National Honor Society

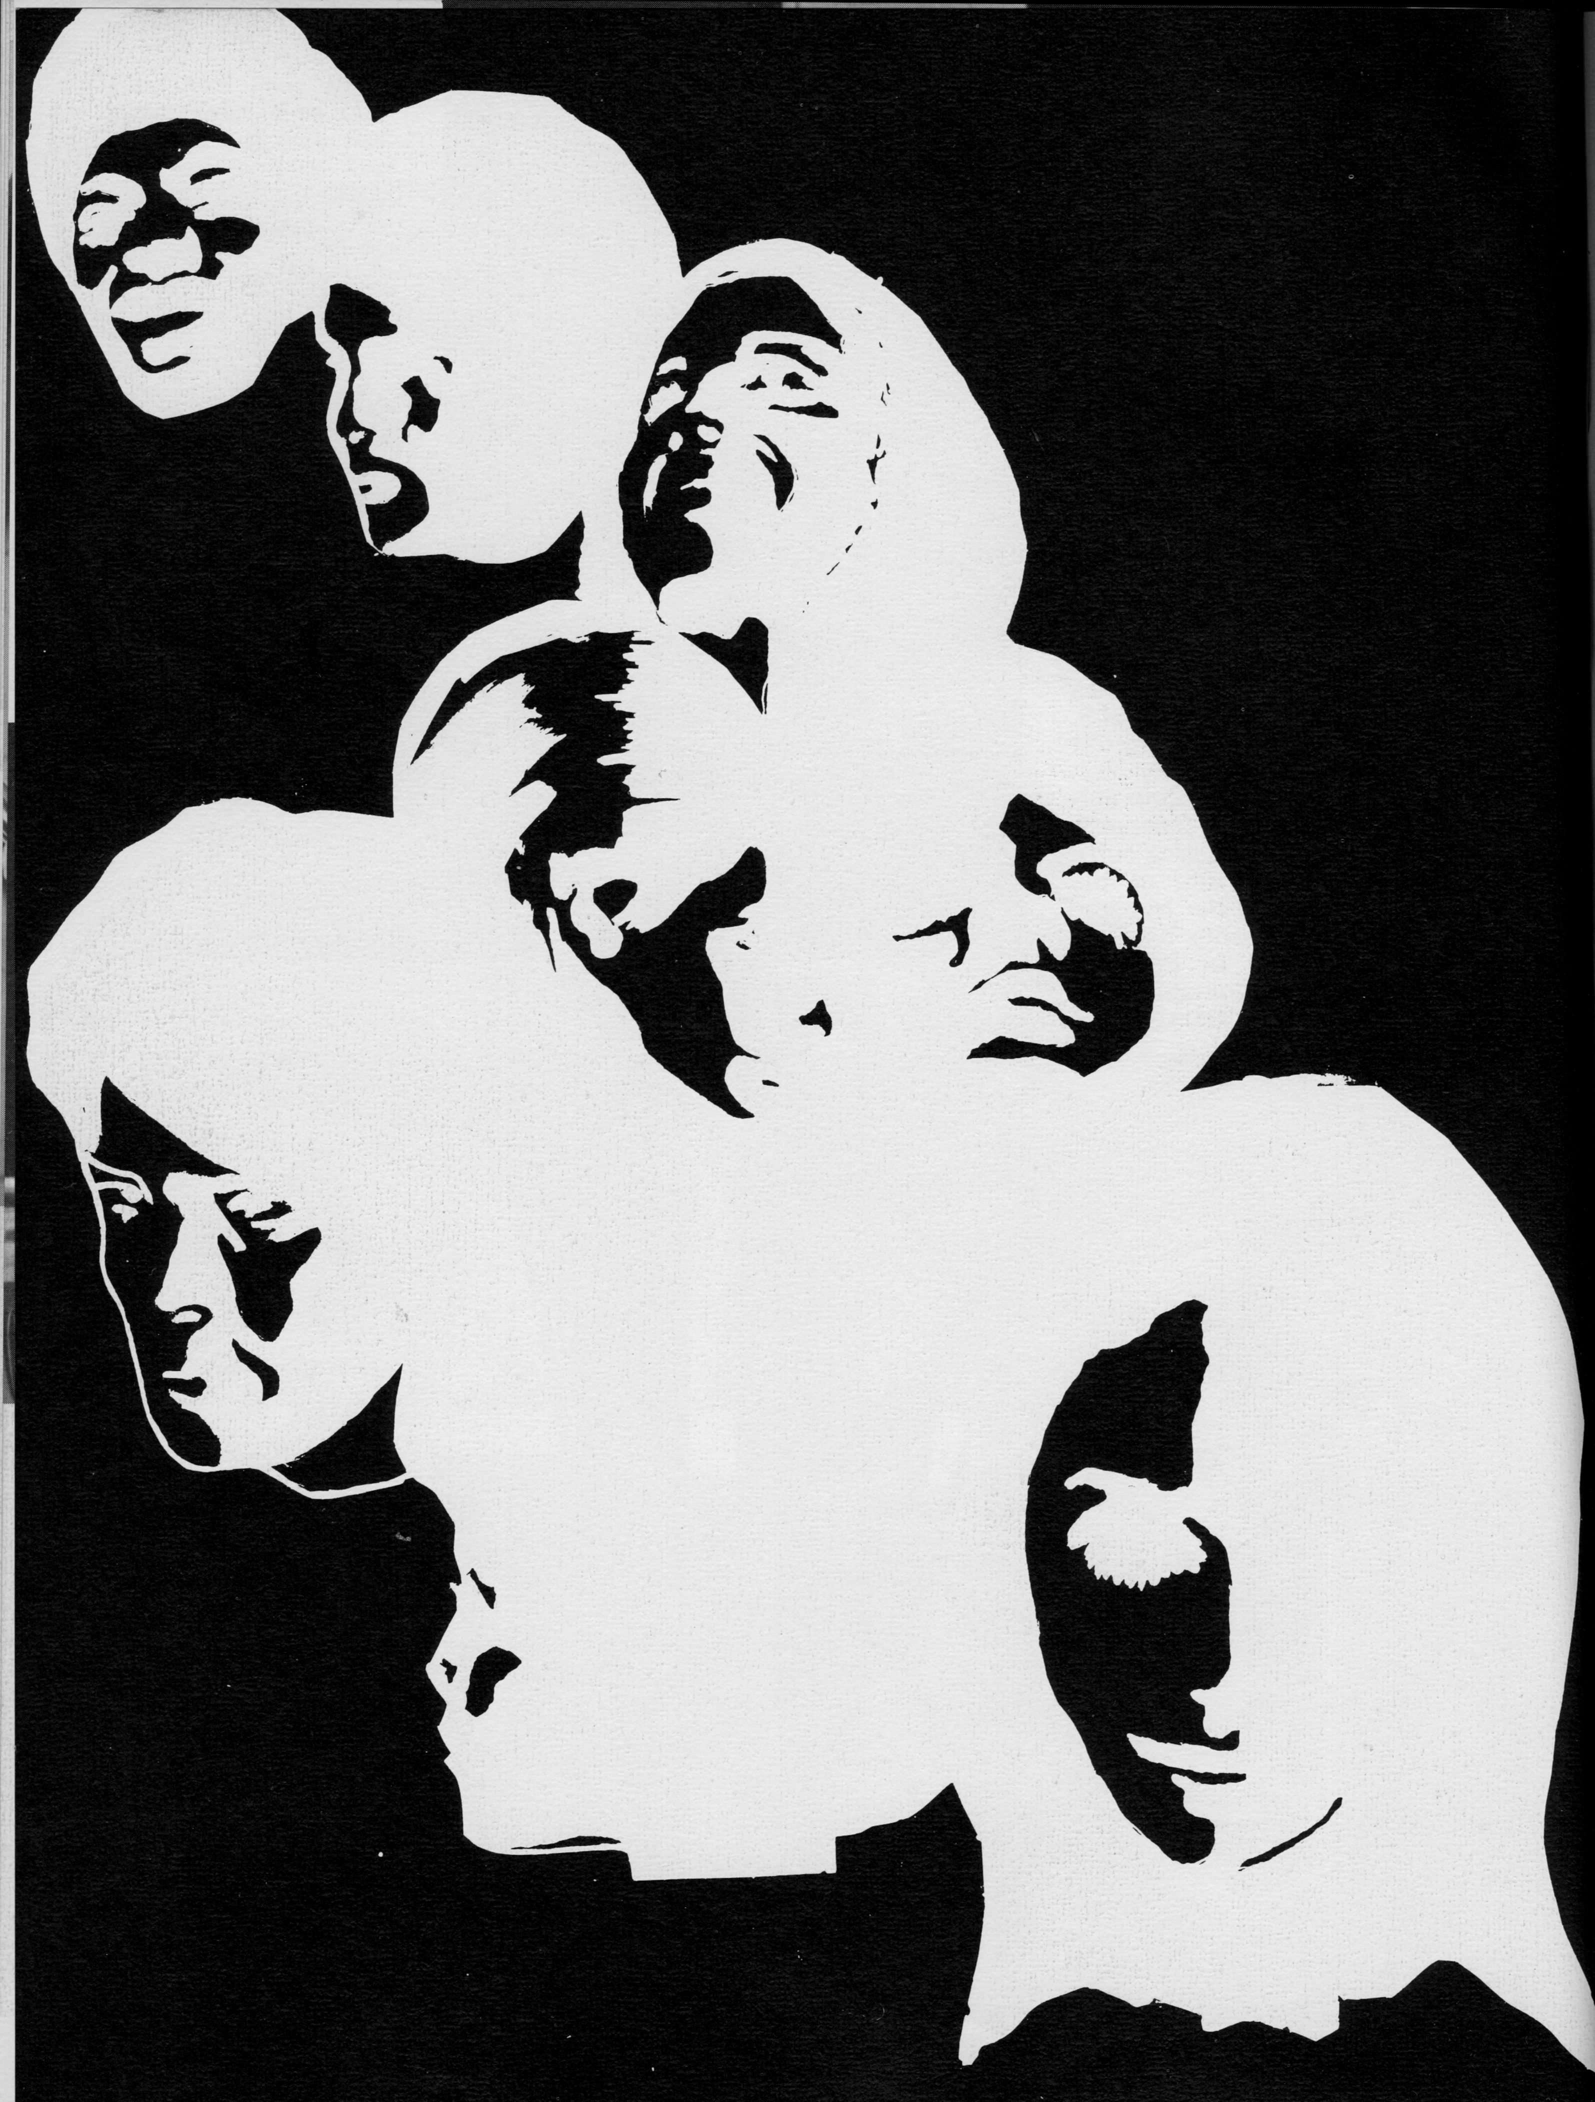

In a solemn candlelit ceremony on November 17, thirty-seven seniors were inducted into the Longfellow Chapter of the National Honor Society. Besides maintaining an academic average of ninety or better — the criterion which enabled their selection for Honor Society induction — members must pledge to live up to the high standards of scholarship, leadership, character, and service established by Society charter.

Since November, the Longfellow Chapter has organized and become involved in service projects for Pittsfield High School. Under the leadership of President Bob Reder, Vice-President Bill Levering and Secretary Nancy Peronto, the Society has worked to help evaluate the P.H.S. curriculum and grading system. At many meetings the Society discussed with the Administration current concerns such as the independent study program and a drug curriculum. The ultimate aim of the Longfellow Chapter of the National Honor Society is to better the educational environment of Pittsfield High School — an admirable purpose for a service organization.

Sears Roebuck And Company

Berkshire Bank

It's called a checking account. And it is the most practical way for you to learn how to manage money. You'll learn how to budget. How to cut unnecessary waste. See where that money goes. What it goes for. Certainly Check stubs and monthly statements make excellent (and very practical) courses in bookkepping.

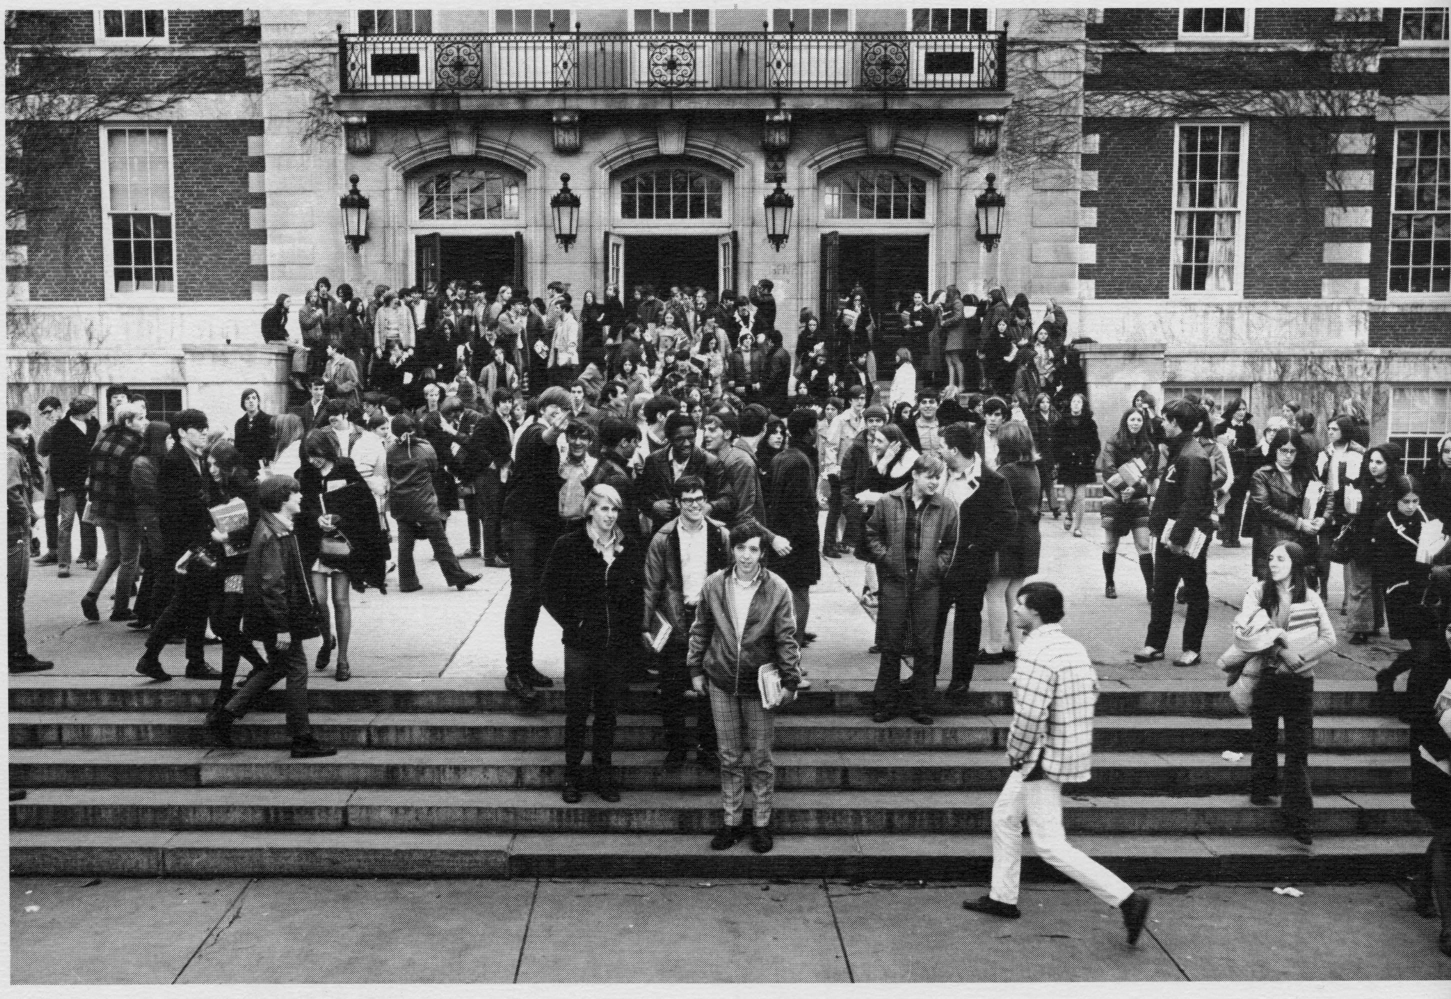

You'll love the financial independence. And you'll like the convenience of making one deposit a month.

So enroll now in our money management course. You'll find money management is easier with Berkshire Bank.

In Appreciation

The DOME staff expresses its deepest appreciation to the advisers, photographers, advertisers and others who made this edition possible. Our special thanks goes to a talented and dedicated senior class which truly exemplified the quality of leadership throughout the high school years. We sincerely hope that the 1971 DOME will keep alive all those memories of Pittsfield High School.
